

ERIN'S GIFT OF HOPE

The gift of peace and service

Mission 2012

I will be part of a mission team this summer to Horry County, South Carolina, where we will be running a vacation Bible school for kids of all ages. We will also be building homes with Habitat for Humanity, and serving meals and providing clothing for the needy with The Salvation Army.

I am looking for support to help pay for my transportation, food, and living arrangements during my stay. A gift of any amount would be so helpful, if you're able. Erin's Gift is a non-profit organization and all donations are tax deductible. We have done work over the last 5 years in West Virginia, North Carolina, Mississippi, Louisiana, Illinois, Indiana, and Belize, Central America, in areas of extreme poverty or where natural disasters have struck.

Would you consider supporting me this year with a gift of any amount?

You might also be interested in sponsoring a hole in our annual spring golf tournament, \$100 per hole; \$200 for 3 holes. Your company's banner or sign will be displayed, placed in our program, and included in a key chain for our guests.

Please let me know if you're able to help, or you can make a donation directly through the website at the address below.

Thank you!!
